

P74

On-Demand Espresso Grinder

The P74 combines state-of-the-art **grinder technology with modern design**, ensuring an exceptional espresso **experience for all coffee professionals**.

At its core **74 mm diameter hardened steel burrs** deliver consistently precise grinds. The P74 grinder offers three programmable doses and a continuous mode, that can easily be selected and adjusted via an intuitive turn-push knob control. The illuminated, hands-free portafilter holder adds to usability and workflow efficiency.

Anti-clump and anti-electrostatic systems guarantee a smooth, even grind, while the 10% inclination of the burrs and an almost vertical chute **reduce retention to a minimum**.

Constructed with **high-quality materials**, this grinder promises durability and reliability, making it a perfect addition for coffee shops and other venues with high volumes.

MAIN FEATURES

- 74 mm diameter steel burrs
- Intuitive turn-push knob control that allows simple, single-handed grinder adjustment at both sides of the espresso machine
- Stepless, micrometric grind adjustment
- Hands-free, illuminated and height adjustable portafilter holder
- High grinding speed
- Design focused on usability and ergonomics referencing the 10% inclination of Ascaso's iconic espresso machines
- Anti-clump and anti-electrostatic system to guarantee well distributed grind
- Access to grind chamber for maintenance without losing grind setting
- Easy to change bean hopper with integrated label clip
- 430 W motor with 1.350rpm burr speed
- Three programmable doses and continuous mode
- Detachable tray for simple cleaning and counter cleanliness
- High-quality materials for a long service lifetime

HIGH-RESOLUTION DISPLAY

- Dose adjustment in 0,1 second increments
- Grind statistics (total)
- Burr change alert
- Screen saver
- Multi-language support (English, Spanish, German)

TECHNICAL DATA

	P74
Burr diameter	74 mm
Burr type	flat
Grinding capacity (Espresso)	3,4 - 4,0 g/s
Motor power	430 W
Bean hopper capacity	1,5 kg
Display	High-resolution
Dosing	Timed (3 doses and manual)
Grind setting	Stepless micrometric
Adjustable portafilter holder	x
Illuminated outlet	x
Detachable, magnetic tray	x
Housing Material	Aluminium
Weight	10 kg
Dimensions (w x h x d)	182 x 611 x 327 mm
