NEW VERSION EVOLVING TECHNOLOGY

# Steel

## For coffee enthusiasts who value performance, seamless workflow, efficiency and modern design.

## Industrial elegance meets coffee mastery

The Steel is the ideal choice for coffee enthusiasts who appreciate industrial design and high performance. Its robust, compact build combines functionality and minimalism, while the dual thermoblock system, PID technology, extraction controls and high-quality components ensure consistent, professional-grade coffee and powerful steam performance.

# Highlights

**THERMOBLOCKS**
High-performance insulated dual thermoblock

**PID CONTROL**
Thermal stability of +/-1.5ºC with PID temperature control

**DIGITAL CONTROL**
Digital multifunction display with shot-timer

**EXTRACTION CONTROLS**
Volumetric control, programmable pre-infusion and overpressure valve

**DURABLE PARTS**
Stainless steel materials, accessories and components

**ELEGANT DETAILS**
Wooden accessories and barista lights

**SILENT PUMP**
Ultra-quiet vibratory pump

**DESIGN**
Modern and industrial design
