Dream

For coffee lovers seeking style and functionality in a compact design.

Design that transforms into a delight

The Dream is the perfect addition for homes that value both style and performance. Its neo-retro aesthetic and vibrant colors make it a decorative piece, while PID technology, extraction control and high-quality components enable consistent, barista-level coffee experiences.

Highlights

THERMOBLOCKS

High-performance insulated dual thermoblock

PID CONTROL

Thermal stability of +/-1.5°C with PID temperature control

EXTRACTION CONTROLS

Volumetric control, programmable pre-infusion and overpressure valve

HIGH-QUALITY

Stainless steel materials, accessories and components

ELEGANT DETAILS

Wooden accessories and illuminated tank

WATER TANK

1,3 liter illuminated side-removable water tank

DESIGN

Retro-inspired timeless design
Timeless retro-inspired design
