BORN T

Meet the new era *of espresso*

Discover a new way to experience espresso at home.

The BORN T is designed for those who want to move from a conventional machine to an authentic espresso experience at home. It combines the ease of use expected by any user with technologies commonly found in higher-end machines, delivering consistent results cup after cup.

Manufactured in Barcelona, the BORN T incorporates high-quality components, a professional 58 mm group head, PID temperature control and programmable pre-infusion, all within a compact format designed to enjoy specialty coffee at home.

Highlights

THERMOBLOCK
High-performance thermoblock

PID CONTROL
Thermal stability of ±1.5ºC with PID controller

HIGH QUALITY
High-quality materials, accessories and stainless steel components

WATER TANK
Side-removable water tank

DESIGN
Modern design
